

Graduate Internship, Field and Traineeship Program (GIFT Program)

APPLICATION TIMELINE

February	The GIFT Program begins accepting applications
March-April	If you are identified as a qualified candidate, you may be invited to interview with the department for practicum/internship opportunities.
May - July	Students accepted into the GIFT Program will complete administrative paperwork and appointments with Human Resources.
August	Pre-practicum orientation and trainings to prepare for practicum/internship.
August-September	Students will begin at their assigned clinic/program unless otherwise determined by the clinic/program or university.

***Please note:** All practicum/internship offers are contingent on the outcome of the face-to-face interviews and results of a background check and drug screening. *
