

ASIST

Instructors:

Rebecca Antillon & Kimberly Jow

Instructor Information:

Rebecca Antillon is a Program Coordinator II with the Riverside University Health System – Public Health. She has worked with the department for 17 years designing programs to address child passenger safety, pedestrian safety, teen impaired driving and most recently, teen suicide prevention. Through her work with suicide prevention, Rebecca has developed curriculum for school based staff on how to identify potential warning signs for at risk youth and how to support youth in crisis.

Kimberly Jow CHES is a Mental Health Educator with the Teen Suicide Awareness & Prevention Program where she does suicide prevention trainings for students, staff, and parents for the school districts in Riverside County. In addition, Kimberly implements curriculum based on the needs of the audience. Kimberly also attends health fairs to network and create partnerships with various organizations to reduce the stigma of suicide

Course Description:

This two-day Applied Suicide Intervention Skills Training (ASIST) workshop will equip participants to respond knowledgeably and competently to persons at risk of suicide. Just as "CPR" skills make physical first aid possible, training in suicide intervention develops the skills used in suicide first aid. The ASIST workshop is for those who want to increase their skills to help prevent the immediate risk of suicide for youth, consumers, clients, family, friends, coworkers and community members.

Date: June 21, 2023 & June 22, 2023

****Must attend both dates for credit****

Time: 8:00am – 4:30pm

Location: 2085 Rustin Ave. Riverside Ca 92507
